A wide-angle photograph of a beach during low tide. The foreground and middle ground are heavily covered with a thick layer of brown, fibrous seaweed. To the left, the ocean waves are breaking onto the shore, creating white foam. In the background, a line of green vegetation and palm trees sits atop a sandy dune under a blue sky with scattered white clouds. The word "OPPORTUNITY" is written in large, white, sans-serif capital letters across the center of the image, partially overlapping the seaweed and the ocean. A small black plus sign is visible on the right edge of the image.
